No. R. 6312—*Ft.* 64-05-15, *dated* 22*nd December* 1906.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that, from 1st January 1907, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof :—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga.	Nagar and Tirthahalli.	26·07 square miles.	Hanagere.	*North.*—Starting from the tri-junction bandhs of Kalosi, Maskani and Wadohosahalli, the line runs, south-east along the southern boundary of Kalosi for a distance of about six furlongs and north-east along the southern boundaries of Kalosi and Gubbiga to the north-east corner of survey No. 4 of Bellur and then south-east along the southern boundaries of Gubbiga and Kodi villages to the south-eastern corner of the latter village. *East.*—Then along the western boundary of Thamadihalli village to its south-west corner where it joins Ayanur high road and the western demarcation of Shankar State Forest; then along the western demarcation line of the said State Forest to the left side of the high road to the south-west corner of the State Forest, where it joins the north-western corner bandhs of the Shettihalli village limit; then along the western boundaries of Shettihalli, Hegalathi and Thotadakoppa to the south-west corner of the last named village limit. *South.*—Then along the northern village limits of Garga and Venkannahalli to the north-west corner of the latter village; then along the northern boundary of Jogikoppa village for a distance of about one and a half furlongs. *West.*—Then along the eastern boundary of Jogikoppa, Yogamalalli, Harumballi, Yoga, Vategar and Wadohosahalli to the starting point.

A. Remarks.—The following rights of way are admitted within the block :—

(1) *Cart-track*, fifteen feet wide and one furlong long from Bellur to Ayanur, open for people, cattle and carts all the year round. It enters the State Forest at a point in the western boundary of enclosure No. 1 at a distance of about three furlongs south-west from the north-west corner of Survey No. 4 and goes north through survey No. 3 for a distance of one furlong and quits the State Forest at a point in the northern boundary of the State Forest at a distance of about two and a half furlongs west from the north-west corner of survey No. 4.

(2) *Foot-path* from Bellur to Gubbiga, six feet wide and about half a furlong long, open for men and cattle all the year round. It enters the State Forest at a point in the western boundary of Enclosure No. 1, at a distance of about one furlong south-west from the north-west corner of survey No. 4, goes north through survey No. 3, for a distance of half a furlong and quits the forest at a point in the northern boundary of the forest at a distance of about one furlong west from the north-west corner of survey No. 4.

(3) *Foot-path* from Bellur to Maskani, six feet wide and three furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the southern boundary of enclosure No. 1 in survey No. 3, and goes south-west for a distance of three furlongs and quits the forest at a point in the northern boundary of enclosure 3 at a distance of about three-fourth furlong west from the south-east corner of survey No. 3 of Bellur.

(4) *Foot-path* from Herekere (hamlet of Bellur) to Maskani, six feet wide and two and a half furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the western boundary of survey No. 26, at a distance of about twenty-two yards south from the north-west corner of the same number and goes south-west for a distance of about two and a half furlongs and quits the State Forest at a point in the northern boundary of enclosure No. 3, at a distance of about one furlong east from the south-west corner of survey No. 30 of Bellur.

(5) *Foot-path* from Bellur to Matikoppa, six feet wide and two and a half furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the eastern boundary of enclosure No. 1, at a distance of about two furlongs south from the north-west corner of survey of No. 43, and goes south for a distance of about two and a half furlongs and quits the forest at a point in the northern boundary of survey No. 37, at a distance of about one-fourth furlong east from its north-west corner.

(6) *Foot-path* from Bellur to Arnelli, six feet wide and about one mile and seven furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the eastern boundary of enclosure No. 1, at a distance of about one and a quarter furlongs north

from the north-east corner of survey No. 30 and goes east through survey No. 50 of Bellur and survey No. 11 of Arnelli for a distance of one mile and seven furlongs and quits the forest at the north-west corner of survey No. 12 of the latter village.

(7) *Foot-path* from Arnelli to Ayanur high road, six feet wide and about one mile long, open for men and cattle all the year round. It enters the State Forest at the south-east corner of survey No. 8 of enclosure No. 4, in Arnelli village, goes south-east through survey Nos. 18, 20 and 19 for a distance of about one mile and joins the said high road at a point about quarter furlong north from the south-east corner of survey No. 18 of Arnelli.

(8) *High road* from Ayanur to Hanagere, twenty-two yards wide and two miles and seven furlongs long, open for men, cattle and carts all the year round. It runs on the eastern boundaries of survey No. 18 of Arnelli, and survey Nos. 9, 8, 4, 3, 2 and 1 of Karkuchi to the north-east corner of survey No. 2 of Hanagere.

(9) *High road* from Hanagere to Venkannahalli, twenty-two yards wide and three miles and four and a half furlongs long, open for men, cattle and carts all the year round. It goes along the eastern boundary of survey No. 2 of Hanagere in continuation of path No. 8, for a distance of three and a quarter furlongs and then goes south through survey Nos. 2, 7 and 4 of Hanagere and survey No. 23 of Shiranelli for a distance of about two miles and three furlongs and quits the forest at the north-east corner of survey No. 8 of Basavangadde and again enters the forest at a point in the southern boundary of survey No. 6, about three-fourth furlong west from the south-east corner of the same number in enclosure No. 10 and goes south through survey No. 27, for a distance of about two and a quarter furlongs and quits the forest at the north-east corner of survey No. 21, and lastly enters the forest at the south-east corner of the same survey number and goes south-west through survey No. 18 for a distance of one and a quarter furlongs and turns west through the same survey number for a distance of two and a half furlongs and quits the forest at a point in the southern boundary of the State Forest, three-fourth furlong south from the south-west corner of survey No. 18.

(10) *High road* from Hanagere to Shettihalli, twenty-two yards wide and seven miles long, open for men, cattle and carts all the year round. It goes along the northern boundary of survey No. 7 and eastern boundaries of survey Nos. 7 and 5 of Hanagere to the south-east corner of the latter number; then along the northern boundaries of survey Nos. 8 and 12 of Shiranelli to the north-east corner of the latter number and the western boundary of survey No. 13 to its northernmost corner of a distance of seven miles where the road joins the north-western corner bandhs of Shettihalli village.

(11) *Foot-path* from enclosure five in Hanagere to enclosure six in Shiranelli and Hanagere, six feet wide and two and a quarter furlongs long, open for men and cattle all the year round. It enters the State Forest at the north-east corner of the village site of enclosure No. 5, and goes east through survey Nos. 2, 7 and 6 of Hanagere for a distance of two and a quarter furlongs and quits the forest at the south-east corner of survey No. 6.

(12) *Foot-path* from road No. 9 to enclosure No. 6 of Shiranelli, six feet wide and half a furlong long, open for men and cattle all the year round. It branches from path No. 9, at a point in the road about three-fourth furlong south from the south-east corner of survey No. 8, in enclosure No. 5 and goes east through survey No. 4, for a distance of half furlong and quits the forest at the south-west corner of survey No. 1 in enclosure No. 6.

(13) *Foot-path* from enclosure six of Shiranelli to enclosure No. 8, six feet wide and three and a half furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the eastern boundary of survey No. 8 in enclosure No. 6 at a distance of about two and a quarter furlongs north from its south-east corner through survey Nos. 12 and 15 of Shiranelli for a distance of three and a quarter furlongs and enters the forest at a point in the northern boundary of village site about quarter furlong east from its north-west corner.

(14) *Foot-path* from enclosure No. 8 in Shiranelli to enclosure No. 10, in Basavangadde, six feet wide and about one mile and one furlong long, open for men and cattle all the year round. It enters the State Forest at a point in the northern boundary of village site in enclosure No. 8, where path No. 13 enters and goes west through survey Nos. 22, 20 and 21 of Shiranelli for a distance of one mile and one furlong and joined track No. 9 at the point where it enters enclosure No. 10.

(15) *Foot-path* from Kanangi to enclosure No. 12 in Alsi, six feet wide and two miles and five and a quarter furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the southern boundary of the forest about one furlong south from the north-west corner of Survey No. 18 of Basavangadde and goes east through survey No. 18 for a distance of about three furlongs and enters enclosure No. 10 at the northernmost corner of survey No. 22 and again it enters the forest at a point in the eastern boundary of survey No. 25 in enclosure No. 10, about half a furlong north from its south-east corner and goes north through survey No 27 for a distance of two and three-fourths furlongs and enters enclosure No. 10 at a point in the western boundary of Survey No. 5 about half a furlong north from its south-west corner and again enters the forest at a point in the western boundary of Survey No. 4 in enclosure No. 10, about forty-four yards south from its north-west corner and goes north through survey No. 28 of Basavanagadde for a distance of three furlongs and north-west through the same survey number and survey No. 16 of Alsi for a distance of about one mile

and four and a half furlongs and enters enclosure No. 12 of Alsi at the south-east corner of the Alsi village site.

(16) *Foot-path* from Venkannahalli to enclosure No. 12 of Alsi, six feet wide and one mile and seven and a half furlongs long, open for men and cattle all the year round. It enters the State Forest at the south-east corner of Survey No. 13 of Kombinakai and goes north-west through Survey Nos. 13, 12 and 10 of Kombinakai and 16 of Alsi for a distance of one mile and seven and a half furlongs and leaves the forest at a point in the southern boundary of Alsi village site about forty yards east from its south-west corner.

(17) *Foot-path* from enclosure 12 of Alsi to enclosure No. 13 of Dobile, six feet wide and about one furlong long, open for men and cattle all the year round. It enters the State Forest at the north-east corner of Survey No. 5 in enclosure No. 12 and goes north-west through Survey No. 17 for a distance of about one furlong and quits the forest at the south-east corner of Survey No. 51 in enclosure No. 13 of Dobile.

(18) *Foot-path* from enclosure No. 13 of Dobile to Harumballi, six feet wide and six furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the western boundary of enclosure No. 13 about twenty-two yards north from its south-west corner and goes west through Survey No. 51 for a distance of about six furlongs and quits the forest at a point in the western boundary of the State Forest about three-fourths furlong south from the north-west corner of Survey No. 51.

(19) *Foot-path* from enclosure No. 13 to Konandur, six feet wide and about six furlongs long, open for men and cattle all the year round. It enters the State Forest at a point in the western boundary of enclosure No. 13 about three-fourths furlong north from the north-west corner of Survey No. 15 in enclosure No. 13 and goes south through Survey No. 16 for a distance of about half furlong and turns west through Survey No. 14 for a distance of five and a half furlongs and quits the forest at a point in the western boundary of the State Forest about one and a half furlongs north from the south-west corner of Survey No. 14.

(20) *Foot-path* from enclosure No. 14 of Maskani to Wadahosahalli, 6 feet wide and four and a half furlongs long, open for men and cattle all the year round. It enters the State Forest at the northernmost corner of Survey No 15 in enclosure No. 14 and goes west through Survey Nos. 13 and 12 for a distance of four and a half furlongs and quits the forest at a point in the western boundary of the State Forest about one furlong north from the south-west corner of Survey 12.

(21) *Right to water* in the streams running in the lands of Arnelli, Shirnelli, Hanagere, Maskani, Dobile, Bellur, Kombinkai, Karkutchi, Basavanagadde and Alsi villages, is granted for men and cattle, all the year round, by path-ways which the raiyats of these villages have been using from time immemorial.

B. *The following rights are admitted within the block* :—
